

## Questions to Guide Reading Assignments

1. What ideas or concepts caused you to reflect on your . . . .?
2. What aspects of the readings, if any, caused you to examine your . . . . or your character as a . . . . .?
3. What challenged you from your readings and why? What changes are being suggested in relation to your . . . . .?
4. If the readings are challenging you to rethink . . . . . what first response(s) will you make?
5. In what ways does the reading lead you to examine attitudes or practices as you . . . . .?
