

## Possible Focusing Questions for Table Conversations or Feedback

What was important to you about this experience, and why do you care?

To what extent (or in what ways) did this experience stimulate imagination, engagement, new thinking, creative action . . . ?

What's missing from the picture you gained of . . . ? What do you need more clarity about?

If there was one thing that hasn't yet been explored but is necessary in order to reach a deeper level of understanding/clarity about . . . what would that be?

What opportunities have emerged from this experience that you can take action on?

What dilemmas or opportunities emerged in your experience in this course?

What assumptions were challenged – and challenged in a way that you have determined you need to think about it all?

What I heard this week that I appreciated was . . .

What I heard that challenged my thinking was . . .

What's emerging that is new for you? What new connections are you making?

What have you heard that had real meaning for you? What surprised you? What puzzled or challenged you? What questions would you like to ask now?

What has been your major learning or insight so far?
